

**REGIONAL TRANSPORT OFFICE (RTO) -
DELHI ADMINISTRATIVE DECISION – APPEAL**

Process: DL-2026/8945 **Applicant:** Rahul Sharma **Date:** 15/02/2026

Subject: Appeal against e-challan for alleged overspeeding.

The present administrative appeal is filed against the penalty imposed for an alleged traffic violation (overspeeding) under the Motor Vehicles Act, 1988. The applicant argues that the speed camera calibration was faulty and there are no clear photographic evidence showing the vehicle's registration number.

After reviewing the merits, the submitted documents, and the applicable traffic regulations, the competent authority passes the following decision.

Decision: APPROVED (DEFERRED). It has been established that the traffic violation report contains material inconsistencies, specifically the lack of clear photographic evidence, which compromises the validity of the administrative act. Therefore, the appeal is accepted, and the imposed penalty is completely cancelled.
