MUMBAI ADMINISTRATIVE DECISION – APPEAL

Process: MH-2026/1102 **Applicant:** Priya Desai **Date:** 10/04/2026

Subject: Appeal against e-challan for alleged red light jumping.

The present administrative appeal is filed against the penalty imposed for an alleged traffic violation (red light jumping) under the Motor Vehicles Act, 1988. The applicant argues that the traffic signal was obscured by an oversized commercial vehicle and the amber light duration was unusually short.

After reviewing the merits, the submitted documents, and the applicable traffic regulations, the competent authority passes the following decision.

Decision: REJECTED. It has been established that the traffic violation report is supported by clear video evidence from the junction camera, demonstrating the applicant's vehicle entering the intersection well after the signal turned red. The visibility of the primary signal was uncompromised. Therefore, the appeal is rejected, and the imposed penalty is upheld.
