

REGIONAL TRANSPORT OFFICE (RTO)
CHENNAI ADMINISTRATIVE DECISION – APPEAL

Process: TN-2026/8830 **Applicant:** Vikram Kumar **Date:** 05/06/2026

Subject: Appeal against e-challan for alleged improper lane change.

The present administrative appeal is filed against the penalty imposed for an alleged traffic violation (improper lane change) under the Motor Vehicles Act, 1988. The applicant argues that the lane markings were completely faded and invisible due to heavy rain, and the maneuver was a necessary evasive action to avoid a deep pothole.

After reviewing the merits, the submitted documents, and the applicable traffic regulations, the competent authority passes the following decision.

Decision: DEFERRED. It has been established that further technical investigation is required from the Highway Maintenance Department regarding the state of the road markings and surface conditions on the specified date and coordinates. Therefore, the appeal is temporarily deferred pending the receipt of the requested maintenance report.
