

REGIONAL TRANSPORT OFFICE (RTO)
HYDERABAD ADMINISTRATIVE DECISION – APPEAL

Process: TS-2026/3392 **Applicant:** Rajesh Reddy **Date:** 12/06/2026

Subject: Appeal against e-challan for alleged riding without a helmet.

The present administrative appeal is filed against the penalty imposed for an alleged traffic violation (riding without a helmet) under the Motor Vehicles Act, 1988. The applicant argues that they suffer from a scalp condition that temporarily prevents them from wearing a standard helmet and claims to have a medical exemption.

After reviewing the merits, the submitted documents, and the applicable traffic regulations, the competent authority passes the following decision.

Decision: REJECTED. It has been established that while the applicant provided a medical note retrospectively, no valid RTO-approved medical exemption certificate was possessed or displayed at the time of the infraction. The photographic evidence clearly shows the pillion rider and driver without protective headgear. Therefore, the appeal is rejected, and the imposed penalty is upheld.
