

REGIONAL TRANSPORT OFFICE (RTO)
PUNE ADMINISTRATIVE DECISION – APPEAL

Process: MH-2026/7740 **Applicant:** Ananya Sharma **Date:** 18/06/2026

Subject: Appeal against e-challan for alleged driving on the wrong side of the road.

The present administrative appeal is filed against the penalty imposed for an alleged traffic violation (driving on the wrong side of the road) under the Motor Vehicles Act, 1988. The applicant argues that they were explicitly directed by an on-duty traffic police officer to use the opposite carriageway due to an overturned heavy goods vehicle blocking the primary route.

After reviewing the merits, the submitted documents, and the applicable traffic regulations, the competent authority passes the following decision.

Decision: APPROVED. It has been established through cross-referencing the official traffic control room logs that a temporary manual diversion was indeed authorized at the specified intersection and time due to an accident. The automated camera issued the challan without context of the manual override. Therefore, the appeal is accepted, and the imposed penalty is completely cancelled.
